Exclusive Opportunity: Get a Single or Double Invitation to Seychelles

We are excited to introduce the Seychelles Bespoke Success Challenge, offering you the opportunity to get an exclusive single or double invitation to our prestigious anniversary trip.

How to Participate

1. Submit Your Bespoke Plan

- Your growth plan must be goal-oriented and tailored to your business.
- Consider using **SMART Goals** (Specific, Measurable, Achievable, Relevant, Time-bound).
- The plan should focus on increasing your team's **points and turnover** over the programme period.
- Email your application to seychelleschallenge@fmworld.com
- Submit your entry by the **5th of each month**. If you miss the deadline for March 5th for example, you can enter on April 5th instead. Keep in mind that August serves as the final cutoff, as it will be too close to the trip to allow sufficient time to achieve your goals.

Example Submission:

„From March to August, I plan to support one of my Business Partners with the number XP 1234567 in increasing their group points by 20% each month compared to the baseline month of NOVEMBER 2024, reaching a total of 100,000 NEW points cumulatively during the programme period. Therefore, I am applying for an additional single or double invitation to the trip for the person I am working with to boost turnover.”

2. Application Review & Approval

- Management will assess all applications individually.
- Some plans may require adjustments before approval.
- Only **impactful and realistic** business growth plans will be accepted.
- All goals must align with the official terms and conditions of the programme.

3. Sign the Official Agreement

- If your plan is approved, you will sign an official **contract with FM WORLD** for the duration of the programme.
- Once the agreement is signed, you can begin working towards your targets.

4. Achieve Your Goals & Secure Your Spot

- Meet the agreed targets within the specified timeframe.
- Successful participants will **get a single or double invitation to Seychelles**, celebrating their achievements with FM WORLD.

This is a unique opportunity to grow your business and
experience an unforgettable trip.
